 C. The New Karns High School

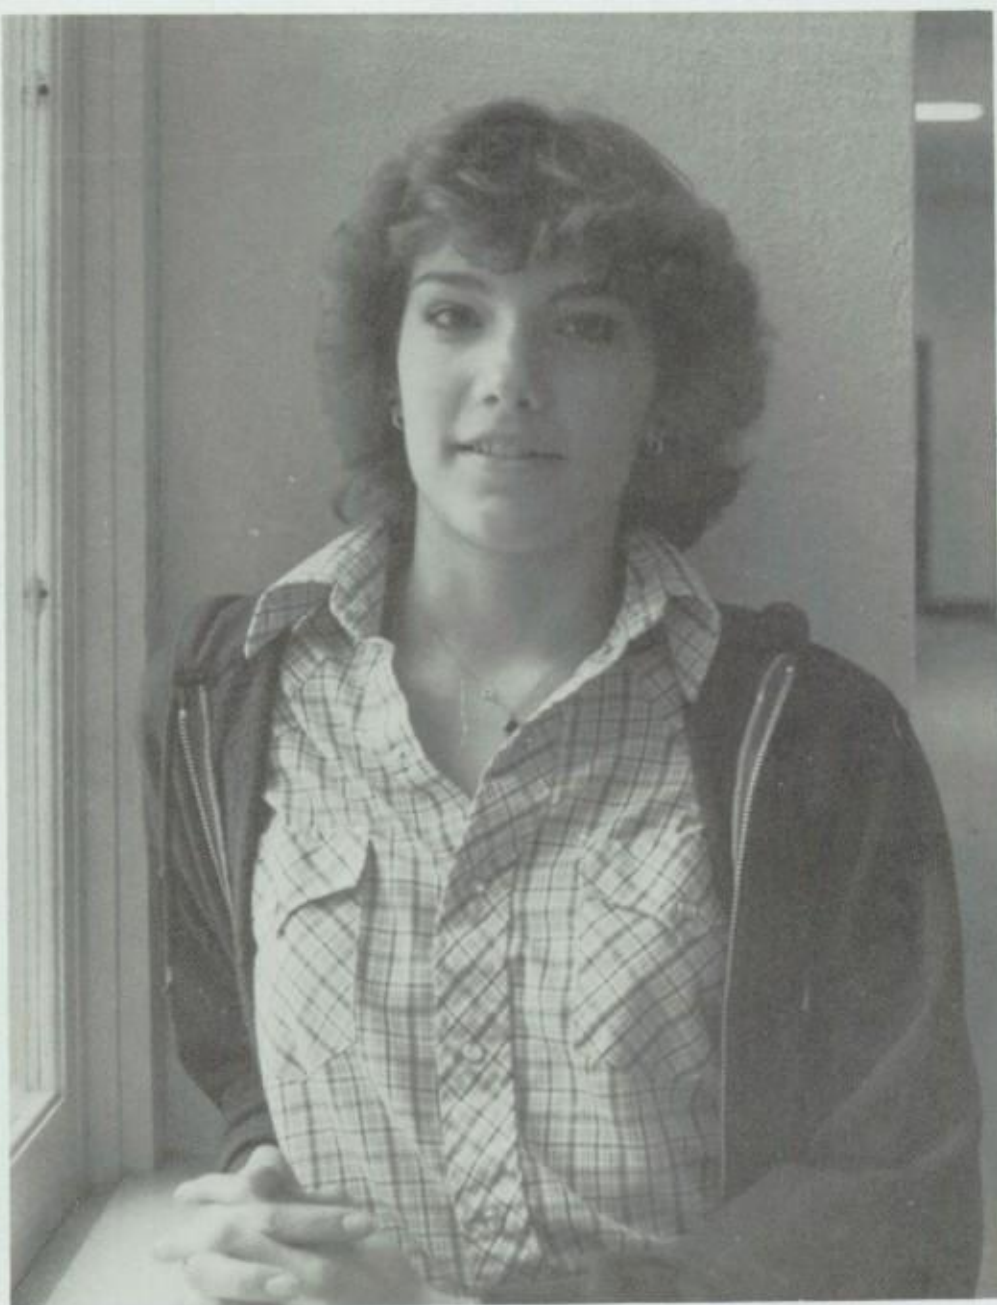

American Field Service

Alister Woodley is our A.F.S. exchange student this year. He comes from New Zealand where he has lived on a farm all his life. The things he misses the most at home are his family, his friends, and his independence. Al is a good athlete. He participates in rugby, field hockey, and tennis. He also enjoys hunting and camping. He was glad to have the opportunity to play Karns High Football. All of us here are proud to know Alister (Al) Woodley.

Rosa Elena Esther Montalvo Valiente is our exchange student this year from Peru and is living with the Jake family. Rosa came to the United States to learn English and get a change to go to college, and so far she loves it. She came from a very strict school, made up only of girls, and it was not divided in sections like our high school. Rosa likes to read, listen to music, go to the Y.W.C.A. and watch movies.

Valerie Ingram is our domestic exchange student from Three Lakes Wisconsin. She is living with the Dockery family, and will be here until the end of June. She came from a school of only 300 and there were 68 students in her class. She likes basketball, softball, volleyball, snowmobiles and hiking. Eventhough she misses her mom and her best friend Pam, she's really having a good time here in Vol country.

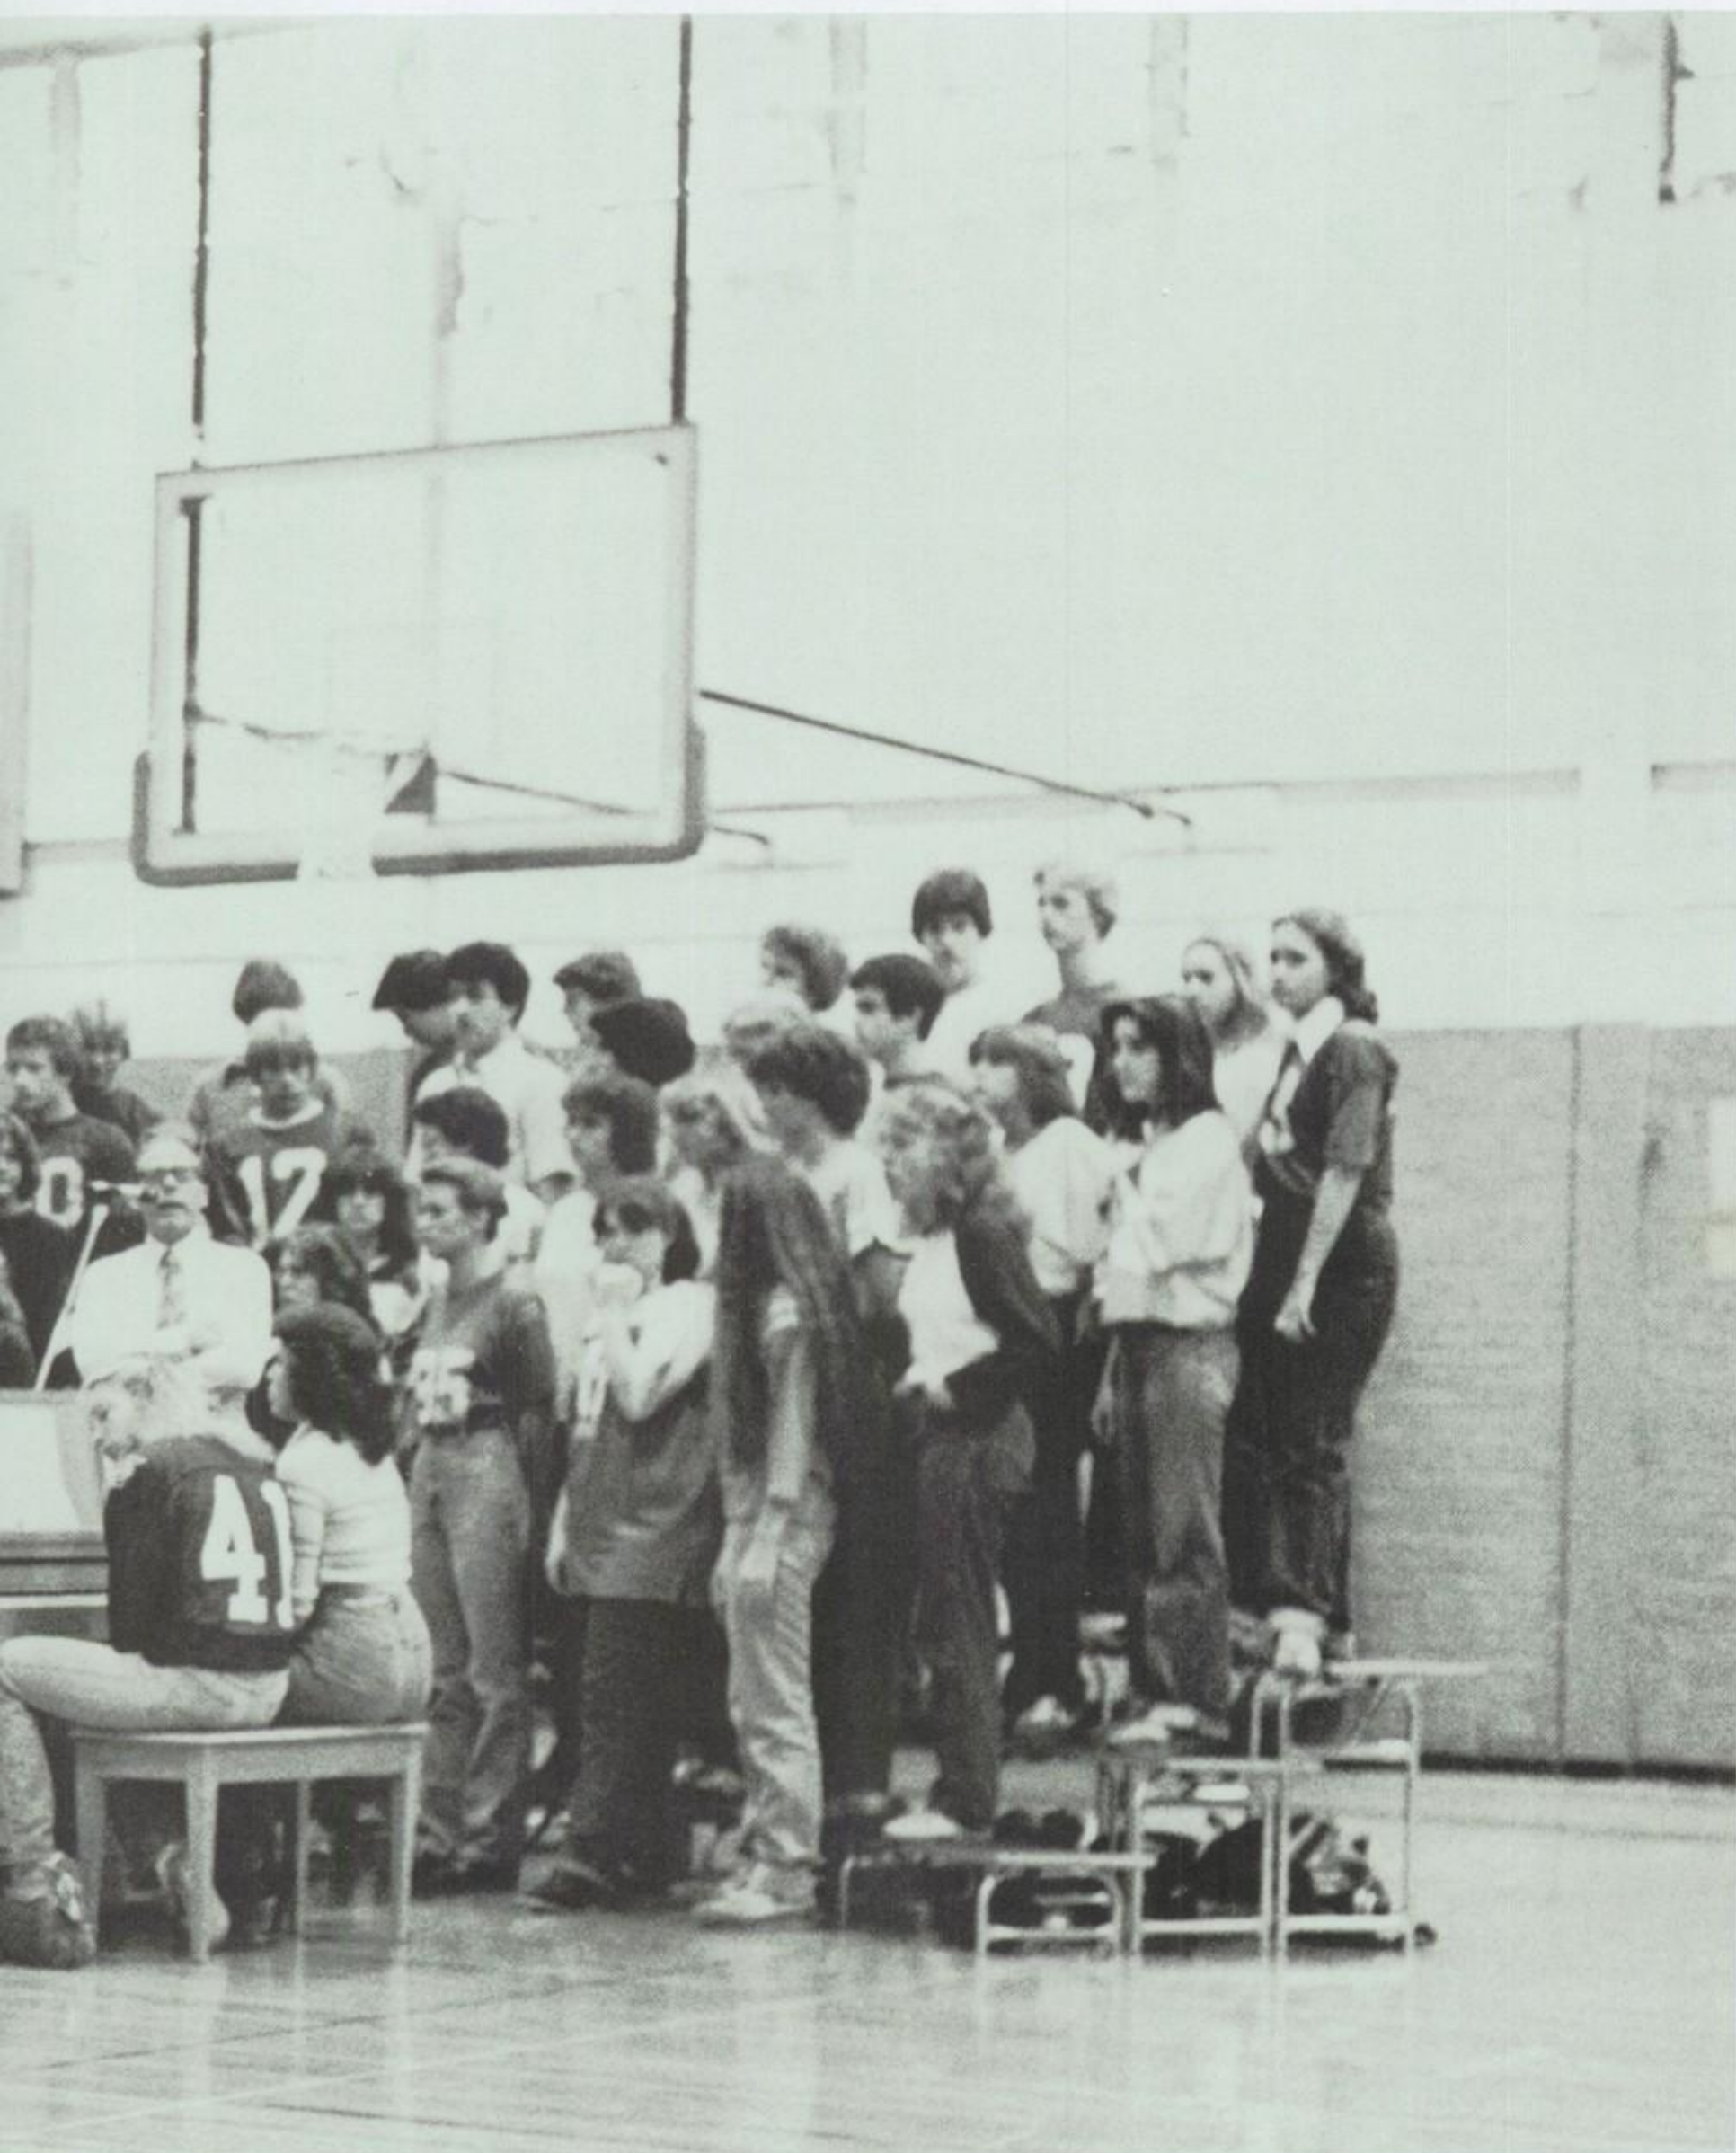

Benita Burger was an exchange student to Salvador, Bahia, Brazil for over a year. She returned home this February. Her Brazilian family was quite large; she had two brothers and two sisters. During her stay she attended Tereza de Luieux, a private school. Benita said "there was much respect between the teachers and students. Both were on a first name basis." She didn't get to use her English much but she did learn to speak Portugese well. For entertainment she attended a social club and spent many hours on the beach. She even tried surfing.

Benita is happy to be home after her long stay even though it may not be easy to readjust to the American way of life. Of course she misses her Brazilian family and friends but she does plan to visit Brazil again someday. Welcome home, Benita!

Lori Fortner, daughter of Mr. and Mrs. Joe Fortner, received this year's Daughters of the American Revolution Good Citizen's Award. Each year, the faculty awards committee chooses an outstanding senior who displays dependability, leadership, service, and patriotism. Lori may compete at district, state, and national levels for further awards and scholarships.

AFS International/Intercultural Programs is an organization which administers student exchanges to promote better understanding among people on a local, national, and international level. Through AFS, foreign students come to the United States from any one of 55 countries to live with American families and attend American high schools during their senior year.

AFS has activities for all seasons. Last spring the club sponsored a short term exchange to Cincinnati for a week. In the summer there were picnics and car washes to raise money. In December, we held our annual crafts fair at the Karns Community Center. Our winter extra-curricular activity was a lock-in at the Westside Y.

CLOSING

Karns High School-1913 to 1981

It all began in 1868; a log house was constructed on the north side of Beaver Creek just east of where the old Masonic Hall now stands on Copper Ridge Road. It was 20x40' room where the 35 students attended first through fifth grades. In 1874, the log structure was abandoned for a one room frame house which was used for 16 years until it became necessary to build a two room secondary school. Then in 1911, the need for a higher education became evident; in 1913, the first high school was erected. The picture on the prior two pages is, believe it or not, Karns High School in 1913. This building was named for Prof. T.C. Karns, the first Superintendant of Public Instruction in Knox County. The high school had an enrollment of 75 students while the elementary school had 160 students.

Beaver Ridge Secondary School

On February 27, 1938, the destruction of the first Karns began and later that same year, the Karns High we all know so well was begun. The location chosen had previously been a Dutch cemetery but the bodies were exhumed to Cobb's barn which stood where the football field is now. In the cornerstone was placed a sealed copper box containing a history of the school and previous buildings, a roll of the student body of 1938, newspapers and other information which should be of interest to the generation who sees the last of the "Old building", as we now refer to it.

Things went well for forty years, until March 10, 1978, when the old building became a victim of arson. Due to quick action of the volunteer firemen, the only losses were the study hall and the temporary loss of two classrooms. Then on March 15, 1978, 5 days after the first fire, Karns became a fiery blaze in the night. At 9:06 P.M., firemen were summoned but weren't as lucky this time. This fire caused the loss of six classrooms, the study hall once again, the auditorium, cafeteria and many books and personal belongings in the lockers on the second and third floors.

We are now nearing completion of the new school located next to the Byington-Solway Vocational School. This will be the sixth school to serve the Byington-Solway and Karns area in 113 years, and the third high school to serve the community. This year's seniors, the last graduating class of the 1938 K.H.S., will have special, sentimental memories of their four years in the building.

Majorette-1979-80.

Majorette with the Karns High Kaviliers 1979.

Melinda Jo Johnson participated in a number of activities before her tragic death in 1980. Her freshman year, she was in the Beauty Ball, Treasurer of the Freshman Class, F.H.A., and the Band. As a Sophomore, she was a teacher's aide but chose to concentrate on her main interests in Band and primarily Majorette. Other hobbies she had were swimming, softball, and Beauty Pageants outside of school. Most of her time though, she spent twirling her baton in hopes of becoming a Majorette.

Editor's Note

Gee! A whole page for *me*?!

This year has been a special one for the entire Annual Staff for sure because most of them are looking forward to a bigger and better place to work next year. But . . . the senior members had to cope with what we had-Oh well. To the one year members who will be moving on to the new Karns High, thank you very much Laura Bacon, Amy Carr, Scott Gillenwaters, David McCurdy, "Mike #1" Scott, "Mike #2" Sharp, Robin Joyner, (who is also a senior), for your outstanding work, and good luck coping next year. To Brad Bigney (who left us for the White Store) well, I forgive you anyway.

To my faithful and somewhat weary staff SENIORS (yay!), leftover from when the staff was loud and aggressive and had BAD attitudes, Cathy Bridges, JoAnna "Banana" Burnette (soon to be Jackson), Sharon Fain, Ian Joyce (watch those off duty cops, they're sneaky), Robert Smith and Kim Stevens, a huge and very massive *THANKS!*

Very Special Recognition to Anne "Don't Yell Out the Windows or Sit on the Desks" Harvey and Anne Walton our fantastic sponsors and Newell E. Ducker of Olan Mills fame and also G. Ed Bailey of Josten's. Without the combined efforts of these fine peoples, we'd still be stuck in the back room under heaps of layouts, copy, pictures and paperwork.

Once again, a very sizeable and deeply appreciated thanks to all who helped to make it through the insanity and frustration of this year.

And finally, to the Graduating Class of 1981 (the Greatest . . . Naturally) HEY! IT LOOKS LIKE WE MADE IT!!
